

Stargazers Crystal Essences

Stargazers Crystal Essences are here! Crystal Essences capture the energies of the crystals in water, making them available for everyone - especially in the cases of rare, expensive & unavailable stones.

Crystal clearing spray can be used to cleanse crystals and stones. Spray it in your auric field to clear your energy, or spray it in your space or your car! Other crystal essences can be sprayed into your aura, sprayed directly on the body, or sprayed into a room to change the vibrations of the space. Dropper bottles can be added to the bath or applied directly to skin.

For personal and research use only. No medical claims made or implied. Use at your own risk.
